THE PLAN

SPACECO, Inc. provided engineering and surveying services for the phased development of a 250 acre industrial park including construction of roadways and detention facilities.

THE FEATURES

- 250 acre industrial park.
- To date, eleven buildings (office/warehouse) ranging in size from 150,000 square feet to 800,000 square feet have been designed and constructed.
- Major tenants include Home Depot, winner of the largest leased office space in 2001, Central American, General Motors, Precision Foods and Dedicated Logistics.
